Adverting to Government order No.9160/Ml 149-14-19 dated 8th June 1916 sanctioning the continuance of the levy of tolls at the enhanced rates in Davangere Municipality for one year i,e, till the end of 1916-17, I have the honor to forward herewith an extract fromthe proceedings of the [illegible] meeting of the Municipal council held on 25th April 1917 resolving that the levy of the enhanced rate of tolls may be continued till the completion of the drainage to the said town which is under contemplation at present

2. The Municipality has spent a large sum over the water works the maintenance charge of which will come to about Rs 15000 per year. The levy of water rate at Rs 18 for each house connection is under consideration. Even with this high rate for house connections and the levy of general water tax, it is not likely that the Municipality will find funds to meet the full maintenance charges. Besides this, a drainage project for a sum of Rs 132960 has already been prepared by the Sanitary Department and is perhaps before Govt. not yet received As funds for all these purposes have to be met by the Municipality, I request that the proposal of the Council to continue the levy of enhanced rate of toll till the drainage project is over may be sanctioned.
